

The Quinlans to Micronesia

Dear Praying Friends,

September 6, 2018

We thank the LORD for blessing another couple of months of ministry on the island. Our Vacation Bible School was tremendous this year-with 92 kids registered and six professions of faith in Christ! Our theme this year was "All Aboard," and our teachers taught about Noah and the Flood. It is always such a blessing to see all hands helping with the various areas of the week of ministry. Those that invest the most receive the greatest of blessings for their service. Our penny offering was \$1,145.00 and was given to a missionary couple on the island here, planting a church in the South.

We also had the blessing of meeting and serving with the King family. Brother Ken King preached both Sundays and presented himself as a candidate for pastor. The church voted and issued a call to him. And, Brother King accepted the call to become the first fully supported pastor of the Lighthouse Baptist Church. Please, pray for wisdom for the Kings as they prepare to move from their home in South Carolina to Santa Rita, Guam.

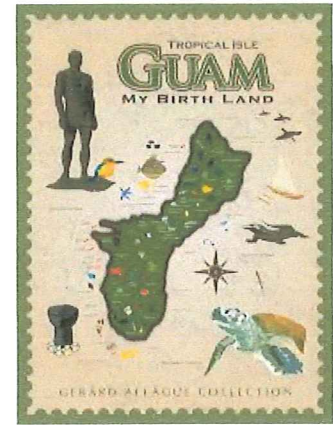

Our family is excited and also curious as to what the LORD has in store for the Quinlan's next. Our oldest son, Stephen, will be married exactly one month from today. I will have the honor of performing the ceremony at the church. Rachel is doing great at Pensacola and is beginning another semester. James is working, and the rest are homeschooling and serving faithfully in the church.

I also wanted to praise the LORD for bringing back a man and his family to the church. He was saved along with his girlfriend. They are now married and attending services. We will be doing discipleship on Baptism and hope to baptize them soon! We are thrilled to have them back.

We thank everyone for always praying and caring for our family. This church plant is critical to the preaching of the Gospel and sound biblical teaching on the island.

Joyfully Serving,

Sean and Tammy
