CHURCH-PLANTING IN INDIA

Independent, But Not Free

On August 15, India will be celebrating their 71st year of independence. This was a great day for India and its people. They were independent! They were beholding to no one! And yet they are not free. The shackles of colonialism may have been sundered, but the oppressions of Hinduism and its false gods, Islam and its false peace, Buddhism and its false righteousness all kept the men of India fettered in chains of sin!

Millions of people will celebrate their independence on August 15 with no understanding of the real freedom to be found in knowing Christ! Please pray for us as we are endeavoring to reach India soon!

Over 60 Percent!

We are super excited to announce that we are now over 60% of

our needed support to get to India! This means as well that we will soon be looking to purchase tickets for India.

Please pray as we are looking to finish deputation in the next few months and as we look for tickets!

Thank you for your prayers and support

Sam, Beth, and Ruby Quinn
