July – August 2018 Prayer Letter

Dear Supporters and Praying Friends,

Greetings from the Schank Family! On behalf of my family, I would like to convey our gratitude for each of you. Your kindness and generosity mean so much to us. I am truly grateful for every letter, email, text message and prayer. Your continued financial support for our family has been a real blessing!

The last couple of months have been like a roller coaster. I have been on top of the mountain and in the deepest darkest valley numerous times. The enemy has been hard at work endeavoring to discourage me and the family from staying focused. We are not ignorant of his devices, but we do get side tracked from time to time. Thankfully we have seen things for what they are and, like David, we have encouraged ourselves in the Lord!

The Midwestern Jubilee was unique this year. We enjoyed a sweet spirit in the Lord and saw one precious soul get saved! HALLELUJAH! It was fruitful in that respect. At this point, however, we are not sure if there will be another Midwestern Jubilee. Help us pray about this issue.

As I type this letter, I am with my mother in Walkertown, North Carolina. She is losing her battle with liver cancer. In fact, by the time you read this letter she may already be in the presence of our Lord. I found out she had cancer in the middle of our Jubilee. Since her diagnosis, times have been very difficult. I have flown to NC two times now. Each trip has been physically demanding as I am a big fella and the planes are getting smaller! Lol! My mom has been saved many, many years and for this we are excited about her soon coming departure.

Our family is doing well considering things with my mother. School is under way again and attention is being focused in that direction with the children. We are doing our best to help momma and encourage her. It is in times like these that you really come to grips with the reality in being married to the exact helpmeet God intended for you! Shilo has been stellar during this time!

As we conclude this letter, please continue to pray for our family. There are many things ahead of us that will be difficult to deal with. We will need grace. We are trusting Jesus as never before and are confident that God will continue to use us in days ahead. Thanks for your partnership with us!
