

The Gibbs Family in Australia

November 2018

Dear Praying Friends and Family,

The month of August our church set aside the time to focus on spreading the Gospel around the world. This special focus laid the foundation for our church to begin broadening its view past our own walls. These messages really helped prepare us for the missions trip 8 of us would take to minister in the country of Cambodia for one week in September.

While in Cambodia our group had the opportunity to be exposed to various ministries led by Cambodian pastors, be a part of the first graduation of a Cambodian led Bible college, and participate in evangelistic outreaches. Through these ministries, our team had a part in seeing over 150 professions of faith through each of the services. Using a medical mission in one of the dump site villages we were able to share God's love in a very practical way to over 120 individuals.

This missions trip helped several of our individuals grow by learning how God had gifted. It gave them opportunities to use their gifts and abilities outside of their comfort zone. One of our members was able to use her skills as a Registered Nurse to assess and treat people during the medical mission. Another connected very closely with the children even though they spoke a different language. A few from the group found a place on a couple of the soccer teams during the sports evangelistic outreach. It was wonderful to see how God used each one of the team members.

Over the course of the past three months, God has begun to stir within the hearts of our people the desire to have a part in world evangelism. We are excited to see what our church will commit to in the coming weeks. There is never a dull moment in ministry, and God is doing some incredible things in peoples lives. Pray that God would continue to help us move people through the process to connect in Christ, grow in Christ, and live in Christ.

As always thank you so much for your continued prayers and support. May our Lord be glorified through it all.

Your Fellow Servant,

Adam Gibbs
