September/October 2018

Dear supporting churches and friends,

We are so thrilled to be writing this update! It is incredibly exciting for us to be leaving on Tuesday, October 30th, for the Amazon. We are thankful for the many churches and godly people we have met over the last 22 months of deputation. We ask that you continue to pray for the churches we were able to visit on deputation as they will be considering taking us on within the next few months.

Our church had a sending off service for us, and we are so thankful that God has allowed us to be a part of this great ministry for the last several years! On Wednesday, October 31st, we will arrive in the town of Tabatinga, Brazil. For the next few weeks we will be furnishing our apartment, learning more about this town which will be our home base for the next several years, and then traveling to the city of Manaus, Brazil to deliver our third child that is due mid-December.

It will be in Manaus that we not only have our third child, but also acquire all our needed government documents for the baby's citizenship and our long-term visas. Please pray with us that our journey to Manaus will be uneventful, that Shaney and the baby will be healthy during delivery, and that the paperwork goes smoothly. Our goal is to return to the town of Tabatinga by the end of January.

We look forward to writing our next prayer letter from the Amazon region! Thank you all for your consistent prayers and support.

Until the next adventure!

In His Service,
Nick & Shaney Hilliard
