Subject: Thatcher prayer update

Dear Friends,

Couple of prayer requests- A lady who has been attending our church for the past several months asked us to visit her elderly father in a nursing home in town as he is seemingly near death. Lisa and I went by and in his weak state he acknowledge that it was ok for me to read the Bible and have prayer with him. I shared the Gospel. I plan to go back again tomorrow.

Then just a few moments ago I got a phone call from an older lady who we met several years ago. She and her husband live just a few minutes from our house. We have gotten to know them well and have been to each other's houses on various occasions. Anyway she just rang to let me know that her husband passed away due to a stroke last night. It was very sad to me as he was so much like my dad. Incidentally, last week marked four years since my father past away.

Pray for Lisa and me as we have opportunities with people for the Lord's sake. I am thankful to have Lisa by my side to help and assist me in the ministry and to be a help to ladies in times like these.

Thanks for praying,
Don Thatcher
