

Liedtke Update
Belize, C.A.
December 2018

We want to take this opportunity to thank you for your faithful support this past year!

It has been a blessing to substitute preach in both churches since our return while their pastors traveled to raise more support. Pastor Dinsmore has now returned with a bus for his growing church and we are focusing all of our attention on the work at Buena Vista until the first week of January. We want to do all we can to ensure the success of these churches and their pastors. Pastor Ek was just ordained at his home church in Campeche, Mexico! Please pray for the Mexican churches to support he and his wife as they continue the work at Buena Vista. Prayer request: this work could really use a van! Approximate cost is \$5000. If interested in donating, please mark your gift "BV Van." Also pray with us that Pastor Ek's second work permit will come through soon.

I also had opportunity during this time to speak and do chalk talk in a local high school in Dangriga,

on the coast, and in a couple of Baptist churches within an hours drive.

We look forward to starting the church plant in the new year. Please pray for us as we continue

to look for the land God wants us to have to start the church as well as the future Bible Institute.

If you would like to donate towards this project please mark it "Belmopan church land". We currently have \$25,000 set aside that has been given. The cost will be at least twice that, though, to set up a building suitable in which to start.

Please pray for us as we reach out to the people of Belmopan with the Good News of the Gospel.

Yours for Belize. Mark and Brenda Liedtke
