To the uttermost...church planting in the pueblos of Ecuador

House of Prayer Baptist Church: The church that God allowed us to plant in June is growing! We are averaging 15-20 people in attendance, the majority of which are unbelievers. However, they consistently come to the services, and they are hearing the Gospel, week after week. Please pray with us that God would open their hearts to His message of salvation. We had a Christmas celebration together, and as a part of the celebration, we voted on a name for the new church, which they chose on their own. They chose "House of Prayer" based on the words of Jesus in Mark 11:17. Please continue to pray for this church!

Christmas Party with the new church plant in the Cooper House!

Evangelistic Campaign: We held a large evangelistic campaign in the main Kichwa village in November. We had around 500 people each night! One of the most exciting aspects of the event, for us as missionaries, was that the event was entirely planned and conducted by the Kichwa believers! They preached, sang, prepared dramas, and many other things. God used them in such a special way! We are praying that God will use this event to show the Kichwa people how much He can do through them!

Happy Thanksgiving, Merry Christmas, and a Happy New Year! Our family would like to wish you a very Merry Christmas and a Happy New Year! We also pray that you had a special time with your family during Thanksgiving. We are thankful for all that you do to sustain our family and our ministry with the Kichwa people!
