October/November 2017

Dear supporting churches and friends,

We have had a wonderful time in these last two months! It was such a joy to meet so many new people and to reconnect with family & friends during these last two months of travel!

Thankfully though, we'll be staying close to home for the remainder of the year. We have a few meetings left and they're only a few hours away!

A big prayer request we have is for an upcoming medical trip next June. Our desire is to work with Beacon of Hope, a medical team from our home church. Please pray that God will open everyone's schedule for it.

Also, we're wanting to use this trip to look for a place to live once we move there. Our plan is to wrap up deputation by next November and we want to be prepared before we get there!

Adelyn has gained some new talents! She finally decided that crawling was a good idea, which now means that we have to start teaching her some boundaries!

Gabriel's newest stage of exploration is talking! He is so excited about learning what things are called and trying to repeat them! For some reason though, he still likes to go back to "No!" ...we're still working on that one.

Next year will be keeping us very busy, as we have meetings literally coast to coast, from Maine to California! God has given us many meetings all the way to next October! Please continue to pray as there are still plenty of dates that still need to be scheduled.

In His Service,
Nick & Shaney Hilliard
