October – December 2018

Dear Friends and Supporters:

We hear many times, that prayer moves mountains. However, many times we give up on prayer requests too easily. I am reminded of the quote from Adoniram Judson, "God loves importunate prayer so much that He will not give us much blessing without it." You should know how much your prayer support means to me and the work here that called me to do. When I ask for things to pray, it is not to fill up space on the prayer letter, but that we genuinely need God to work and show himself strong so that sinners would be converted and saved from eternal hellfire. Whether you are praying for someone, a family member, or miracle of God in your life, keep praying and don't give up. Here are few examples of what God is doing here on this side of the world.

One of the things that we have always focused on is student ministry, and I believe that while our youth is not just the "next generation", they are also the "generation now". I have invested my heart in training my students for the furtherance of the Gospel. For many years now we have been on the college campuses holding Bible studies in the cafeterias and such. However, we prayed and prayed a lot, and God opened us an awesome door whereby we are now accredited as a Bible study at three of the most influential campuses in Cebu City! There is not a Bible study that goes by in which some souls is not miraculously saved! I wish I could bring you here so you could see how our Bible studies usually end in tears with some sinner coming to Christ in true repentance! Please pray for my 3 young men who I have trained to lead these Bible studies, Jairus, Jim, and Christian. God does answer prayer!

One of those who joined our Bible study is now a senior in engineering. He has an amazing testimony of how God brought him to us. So, to make a long story he was saved on another island, then transferred schools and arrived on here on Cebu Island. He was saved and not growing but had a lot of questions that he needed to be answered in the Bible. He prayed something like, "Lord, show me the right church where I can grow in my faith and have my deepest questions answered through the Bible." He saw us passing out tracts and soulwinning in the streets and was moved by the Holy Spirit to approach us. He asked if he could join our Bible study. He was struggling with some things spiritually and asked many questions at that first Bible study. Three hours later as I talked to him, he was convinced that it was the place where God wanted him to be. He thanked me for opening the Bible and answering his questions with the Word of God. He is now faithful in the church and winning souls to the Lord as well! Prayer still works! If you are praying individually, as a family, or as a church, press on!

Please keep praying for:

- The purchase of our rental property (we were able to extend our stay, but we need the Lord to provide or direct us elsewhere)
- My short trip to the States for September (safety as I travel)
- Our first Annual Family Conference with Evangelist Bob Jones this October 28-30, 2018.
- Bible Studies on the Campus of Velez College, Cebu Normal University, and University of the Visayas
- God's provisions for me personally, and his power to the work He called me to do

Sincerely,
Frank Denisi
