OCTOBER UPDATE

This past month of September has been amazing! We sold our house at the end of August. Then flew the next day SEPT 1st to OR for a meeting and to see Cassandra's Parents. We flew back on the following Wednesday and the Lord filled our cancelled conference for WED-SUN with another conference close to home while we were sitting on the runway waiting for takeoff. Which was a tremendous blessing not only because the took us on for support but it also allowed us the opportunity to start the moving process. After a very busy packing and moving experience we were back on the road with more meetings and conferences in GA and FL. God has allowed us to be very fruitful in these closing days of our deputation. We heard from **5 New supporters** this month and many giving to our Language school cost.

We currently have \$4,500 raised for our Language School costs. Please pray with us to be able to see the **remaining \$8,500** to come

in quickly. If your Church would like to give toward this special cost you can send it to MWBM at the address below with a note saying "Language School" and it will be directly applied to our Language School fund.

In October we will be in several meetings and Conferences in GA, NY, FL, & NC. We have a very busy schedule until we leave.

As of October 4th we are only 2 months away from leaving for the field. Pray with and for us as we are making our final preparations to leave for the field. There is still much work to do as we are completing our immigration work, student visas, insuring all the children have their proper paperwork for both the US and in Costa Rica, and securing housing for our time in Language School.

We cant wait to see how much more God is going to do in Argentina. Thank you all for all your prayers and sacrificial support. We love you all.
