Dear Ones in Christ,

Greetings in the precious and holy name the Lord Jesus Christ!

Kevin is no longer with our ministry he choose to do that not mine, may the Lord bless his family. I have been very busy for the last few months, I have spoken in many churches and by God's grace we have been able to get these special New Testament mail in the Jewish homes. Please pray that God will open their eyes that Jesus is the Messiah.

I believe in Hebrews 4:12 it says – "For the word of God is quick and powerful, and sharper than any two-edged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart."

I have mention on my last newsletter that this coming November 2018 that I would be taken about five hundred New Testament Bibles and get on the road and go to church to church and mail it. This will be a great challenge for me in spite of my old age, I am willing to do this because God put it into my heart. Please pray for my safe travel.

Also I would like to thanked God Arsie Manzano who is a Filipino missionary looking also an open door to present his mission in the Philippines, and he assisted me here in my office to help me wrote this letter. He is a great blessings for me, may God help him too in his mission of Church planting in the Philippines.

I would give my full report as soon I return on my mission trip. May God bless us All!

I hope each family will have a fruitful thanksgiving and I just want to inform you all that I have always you in my prayer. Thank you so much for your help.

In His Glory,

Bro. Jack Davis
