

Dear Friends and Family,

The wet monsoon continues to bring torrential rains in this part of the world. It has been a few months since we last saw the sun. Praise the Lord, we can still see the Son every day in His Word.

Muse Missions Trip

During the month of August, I took a missions trip to Muse with Brother En Kham. Pastor Aung Shwe has been serving the Lord there as a church planter for the past seven years. He is a graduate of our Bible school. The Lord has tremendously blessed the ministry by enabling him to bring souls to Christ one by one. There are now about thirty new believers there. We visited the believers there and had a two-day seminar on a new life in Christ. Many of them testified of how the Lord used the seminar to help them in their walk with Him. While we were there, two new believers obeyed the Lord in water baptism right at the Muse river, which divides Myanmar and China!

Visitors from Tucson

We had the privilege of hosting three friends from Tucson Baptist Church, Tucson, for a week. Pastor Sam Forster taught basic music to our students. We are so thankful to the Lord enabling him to cover so much in such a short time. Pastor Shane Agee taught personal evangelism, reviving our commitments to consistently evangelize the lost in our country. Although Pastor Armstrong was with us for a couple of days, his chapel message and fellowship meant so much to all of us. They graciously brought with them a hundred hymnals, new Bibles for our freshmen, and so many other presents. May the Lord bless every one of them for their kindness.

New Church Members

Over the past three months, the Lord has added some new members to our church. Four nursing students had been faithfully visiting our Sunday morning services for a couple of months. Each one of them had

been saved before coming to visit us. After doing some follow ups, they took memberships at our church during the month of July. A single lady heard about our church before moving to Yangon. When she came to town, she was looking for our church and finally found us! We talked to her about her salvation and membership, and she joined our church during the month of August, along with another family that has also been coming for three or four years. We also have a young family of three that has been visiting us for about two months now. We praise the Lord for His goodness to us. Please continue to pray that the Lord will help us enlarge our tent more and more.

A New Church Planting Facility

About a year ago, we started a new church-planting ministry in Bago, which is a two-hour drive from Yangon. Our church planter has been very faithful in evangelizing the town. The Lord has given several contacts in the area. We praise the Lord for graciously providing a small house for this ministry. Four months ago, his fiancée called off their engagement, because she realized she was not ready to serve alongside him in this challenging town! Please pray for Pastor Har Thang.

A New Church Planter

During the month of August, we sent out a new church planter in the town of Kayin Pattaw. Brother Tu Zaw Lin is one of our 2010 graduates. The Lord has burdened him to plant a Bible-believing church in his mother's native town. The uniqueness of this town lies in the fact that there is not a single church there. He has been making contacts and doing personal evangelism. Please pray for this young, committed man for many souls to come to know Christ through him.

In His service,
Hung, Priscilla, Rachel, Becky, Samuel, and Ruth
