

LIEDTKE UPDATE

August, 2018

Dear Friends,

We arrived back in Belize on June 21st, having driven through Mexico with a vehicle. God blessed us with a great journey! Thank you for those who prayed for the packing and moving.

Pastor Dan Dinsmore and Pastor Samuel Ek have been doing a great job here in the churches. I am presently filling in for Pastor Samuel at Iglesia Bautista La Gracia in Buena Vista as he went back for a few weeks to Mexico to start the process of raising support. Pastor Dan will leave the 6th of September for five weeks and I will fill in for him as well at the English church, Emmanuel Fellowship Baptist.

The first week of July we moved into a new house rental in the capital City of Belmopan. It is our goal to start a new church in this area.

The second week of July I had constant chills and fever and was admitted to the hospital with low red blood count and low platelets. I was finally diagnosed with Malaria falsiparum, the most severe kind of malaria. Fortunately we received medication and I was on my way to recovery. We praise the Lord that after being on bedrest for 2 weeks and taking extra vitamins I am now feeling much better. This is not one of the recurring types of malaria. Thank you for your prayers!

Since being back in country we have been able to apply for several of the missionaries to renew their work permits. Please pray that all of these come through with no problem.

We recently met and hosted a prospective missionary couple with BIMl here in Belize. Please pray for more laborers in the harvest. This country has been exposed to the Gospel but does not have very many Biblically sound churches.

Brenda is currently in the U.S. to take our daughter, Libby, to West Coast Baptist College in California. Libby would appreciate your prayers ! Her new address for letters or pkgs is:

Elizabeth Liedtke #591
4010 E. Lancaster Blvd.
Lancaster, CA 93535

And finally, Brenda's father had a stroke 2 weeks ago, and we would appreciate your prayers on his behalf, for a good recovery. She will be there for one week with her parents before returning to Belize.

Thank you for your faithful support! We are glad to be back in country and looking forward to what God will do this year in Belize!

Yours in Christ, *Mark and Brenda Liedtke*
