#### PRAISES and REQUESTS

- Praise the Lord for the 6,000+ tracts and John and Romans that were distributed at the Tour de France.
- Praise the Lord that we were able to purchase a house.
- Praise the Lord for the faithfulness of the people of the church.
- Praise the Lord for all the work that was accomplished with the missions team.
- Pray for the work needed at the house.
- Pray that we would see souls saved.
- Pray for the restart of the Bible Club.

Since our last prayer letter several great blessings have been experienced. One was the great time we had with the missions team that came from PCC in July to help with construction on the church building, VBS and outreach at the Tour de France. We worked and played hard during

the two weeks that we had with the group. What a great blessing to see young people with a heart for the lost!

Another great blessing that we received from the Lord was a house. We have been praying that if ever the possibility would present itself that we would be able to purchase a home in France. On August 3, we became home owners. Please pray that we would be able advance as quickly as possible on the work needed in the house. The windows, electric, insulation and water need to be replaced not mentioning painting, wallpaper, etc. that also needs to be done. Pray that the Lord would give wisdom; and the finances to get everything done in His timing and according to His will.

#### Conferences

In July, the Lord allowed us to travel to Germany to attend a conference for missionaries with our mission agency. The several days that we were able to spend with the leadership and other missionaries was a great source of encouragement to us. It was truly a blessing to be with others who have the same vision to reach the lost. At the end of October, I will be attending the annual conference for the pastor's fellowship that I am a part of in France. Please pray that this time with other pastors in France would be an encouragement to us all.
