“For I could wish that myself were accursed from Christ

September 2018

Dear Friends and Co-Investors in the City of the Great King,

Since our last newsletter two months ago there has been a beehive of activity around here. First of all, in July we had our Vacation Bible School for two days. Five hundred and twenty children came, ages four to eighteen. Sixty-three accepted Christ as their Savior. We used the colors of the Guyana flag as a theme, which incidentally has the same colors of the Wordless Book. The name of the Guyana flag is the Golden Arrowhead. In VBS we had the Golden Airheads puppet singing sensations (we made them up) sing the Wordless Book song and the Crayon Box song each day. The children loved it.

In August we traveled to America to get surgery done on my left thumb. This was in order to remove a cyst. I thought it would be a small operation, but it was actually a major little surgery with me having to go to sleep. Please pray for good healing and for recovery of the bending motion of the thumb. It is my major hand since I am left-handed. Besides that, we had lots of preparation to make to send our daughter, Gretel, off to Pensacola Christian College. She wanted to study to be a nurse, but for now she is enrolled in the difficult pre-med major. Please continue to pray for us and for her as we lose a wonderful gourmet cook, a great soul winner and an otherwise splendid and winsome, all-round person and gal. She is greatly missed in our home.

We still have two left at home. Three have now left the nest. We are excited how God is using them and for them making themselves available for His use. We did get to see our son, Rydal, at Hyles-Anderson College where he is in his final year studying media production. Our oldest, Natalie, who finished Bible college at Commonwealth Baptist College in Lexington, Kentucky, is married. She and her husband, Josh, have our first grandbaby, Mercedes. We got to visit with them for a couple of days in Drummonds, Tennessee, where Josh's dad pastors a church. They are doing well and Mercedes is so cute and smart as a whip at 14 months old (when we saw her in August). From there we traveled to Pensacola, Florida, to take Gretel to college. Pensacola is balmy and beautiful. We drove 5,555 miles during the five weeks that we were in the U.S. In the midst of all of that we got to visit four of our supporting churches in Pennsylvania where we make our home base when we are in the States.

It's September and we are back in Guyana in the thick of ministry and at the forefront of the battle for souls. We are looking forward to our October Faith Promise Missions Conference. We will let you know how that goes in our next letter.

In the ministry for July and August, there were 133 salvations and 11 baptized. Please keep us in your prayers and thanks ahead for all you do for us and for the Lord.
