**Ministry Update**

This month we have been teaching and focusing on missions. Our desire is to teach the importance of missions from the Bible. The majority of the people in the church have never heard of Faith Promise Missions. It is a completely new concept to them. We thank the Lord that this month we have been able to show them from the Bible what missions is all about.

We also had several missionaries pass by the church to present their ministry to the church. Lord willing, in the near future we will be supporting our first missionaries as a church. As well, we continue visiting in the area of Los Cerrillos. We have had visitors come to the church because of invitations that we have left in their house. One man that we have met, named Fernando, is not saved but has a strong desire to study the Bible. Please be in prayer for him to come to know the Lord as his Savior.

**Upcoming activity**

Next month, my wife will be organizing our first ladies meeting. We are challenging each lady to bring a friend. Our prayer is to use this as a means to reach more people in the area and to gain relationships with the ladies. But most of all to reach them with the Gospel. Please be in prayer for my wife as she prepares for this activity and that the Lord would be glorified in all.

**Prayer Requests**

- Spiritual and Numerical growth of the church
- Fernando- for salvation
- First ladies meeting on December 8
- For health and strength of our family

We thank you all so much for your support through prayers and support for this ministry. I know it is said a lot but we could not be here doing what we do without people and churches like you. We count it a blessing to be here serving the Lord.

God Bless,
