Dear Churches and Friends,

**NOVEMBER/ DECEMBER 2018**

The end of November marks 11 years since we moved to Chile! This anniversary is different in that we are Stateside. So far we have visited churches in Michigan, Indiana, Missouri, Ohio, North and South Carolina, Georgia and Florida. The Lord has been so good to protect us and provide for us while on the road. Returning from Charlotte the day before Thanksgiving we broke down. What a helpless feeling wondering how we were going to get the van towed and fixed the evening before Thanksgiving! The Lord sent Christopher, a fellow believer on his way to visit his family in Atlanta. He had a full toolbox and the know-how to get our car back on the road. It was a faith strengthening moment for my kids as we prayed and thanked the Lord together for His provision. Now that the Holiday season has begun we are very much looking forward to a slow down in travel in order to spend some extra time with our families. We are especially excited to enjoy our first cold Christmas in 11 years! Lord willing, we will be returning to Chile toward the end of January and ask that you pray for us. We will have the immediate need of purchasing a vehicle as soon as we arrive.

### **Updates from Chile**

News from Chile encourages us as the ministry continues to take steps forward. Hope Baptist Church under the leadership of pastor Fabián finished up their annual missions conference with the ambitious goal of supporting three more missionaries, bringing their total of supported missionary works to 10! Also two families have joined the church since we have been away! While on a recent drive to Florida, one of our Bible college students, José Antonio called me to tell me about his surrender to go into missions! Samuel and Leslie finished discipleship with Rodolfo and both are actively serving in the church. Trinity Baptist Church under the leadership of pastor Camilo celebrated their fifth anniversary!

### **Prayer Request**

Friends of ours, the Daniel Spark family, are getting ready for their December 9th inauguration service at the Love Baptist Church in Santiago, Chile. They still have some start-up needs and you can read about it at [chileforchrist.com](http://chileforchrist.com).
