

The Andersons To Perú

January 2019

Greetings from Lima, Peru.

The last few months have gone by in a blur. In October we celebrated our [Family Fun Night](#) at La Molina Christian Schools with a circus. While we had some professionals help us fill in the gaps, most of the 45 minute performance (presented 3 times during the evening) featured our own students and their budding talents. The students and their families had a lot of fun cheering each other on.

It may not be a recognized holiday here in Peru, but we can still celebrate Thanksgiving in style. In fact, we had two full [Thanksgiving dinners](#), one with close to 45 of our English church family and the other with 26 of our missionary teachers, family and friends.

Sandwiched in between those two Thanksgiving dinners, we had our [LMCS High School Retreat](#) at a beautiful place on the beach. Although many things went wrong to start with, God allowed us to have a good retreat with several students making decisions for Christ. Our guest speaker was a former missionary teacher at our school who recently moved with his family to a remote village in Peru to start a church. He has always connected well with the students and we were very pleased to have him

back with us.

Our 2018 school year ended with a tremendous presentation of [The Christmas Carol](#) featuring most of our students from elementary and high school either acting or singing. They also helped with props, makeup and lights.

The Monday after the last week of school construction began on the second phase of the building project. Please pray that it will be finished in time for us to start our new school year in March!

Recently we saw graduates from LMCS and were pleased to see that even in their secular universities they are still following Christ even though their families are not Christian. That is our desire.

Please continue to pray for New Life Church in Lima as we try to reach more English speaking Peruvians and Expats with the Gospel.
