

The goal of Project **5-10** is the establishment of **5** village churches in **10** years. In this letter we are praising God for **5** faithful men in the church and for **10** faithful promises of God.

**We praise the Lord for these 5 faithful men in Tahdzibichen.**

*Most men will proclaim everyone his own goodness: but a faithful man who can find?* Prov. 20:6

1. **Antonio** works on construction in the city of Merida and is only at home in the village on the weekends with his wife and two precious little girls. He plays the guitar, leads the services, teaches, preaches, and is the church treasurer. He is becoming a very faithful leader in the church and “could be” the pastor in the future. Adriana, his wife, is interested in helping with the children’s classes.
2. **Efrain** also works in construction in the city and is only in the village on the weekend. He is involved in leading the services, teaching, and preaching.
3. **Esteban** has a carpenter shop in the village. He is growing spiritually by leaps and bounds. He is faithful in reading his Bible, passing out tracts, and helping with the church finances.
4. **Margarito** does odd jobs in the village. He is being discipled and is committed to helping out at the church. He is single and always brings his mother to church with him. He recently broke off an unbiblical relationship with an older lady.
5. **Madaleno** works as a farmer in the village, and he is the most faithful man on visitation. Although he cannot read a word in either Mayan or Spanish, he has memorized many Bible verses. He is the most qualified believer in the church to share the gospel in Mayan.

**We praise the Lord for these 10 faithful promises for Luis, Jeff, and me in Tahdzibichen.**
