Please pray for a new contact that we've made. Sam is an English teacher in a remote area of the Hainan Province.

He is of the Li Minority people which means he is not of the ethnic Han group that is the majority in China. He speaks four different Li languages.

I've already had an open talk with him about Christ and his need for GOD. In 2019, I will travel to his area. Please pray for Sam and that God will open his heart to the Gospel.

2018 was filled with blessings. We have a strong team of PCC students who are giving a year or more of their lives to missions. These 16 graduates first came for our summer mission trip while they were students at PCC, but after spending a month here, they realized that they could give more to missions upon their graduation. So, each spoke with his or her parents and pastor for permission to return to China and now they have finished 2018. Please pray for them as they serve the Lord through teaching English.

Our Chinese pastors and preachers (Peter, Brian, Simon, Kenny, Joe, Joseph) are serving our seven Chinese churches with great boldness. Their Christmas program had nearly 300 people in attendance. After the program, two accepted Christ as their Saviour. Also, we had two VBS programs (Winter & Summer) with several children accepting Christ as their Saviour. In Feb 2019, they will have another winter VBS with the Teens and Children.

God is still blessing our ministry, his Chinese churches, and pastors here in China. Thank you for your prayers and support in 2018. We covet your prayers for 2019 since China has changed many of their policies concerning Church.

I don't know what 2019 holds for us, but I'm sure our Lord and Saviour is still in control and with your **continued** prayers God will accomplish his will for our ministry and the Chinese people.
