Shalom Cherverim (Friends)!

We've had some awesome developments in our ministry since I last wrote to you!

ONLINE EVANGELISM UPDATE

When I last wrote to you, I had made contact with 872 Jewish people online. **That number is now up to 1,015!** We've passed the "One Thousand" mark! These are Jewish people I've contacted with the Gospel! I am sending out a message with our radio station website to them one by one, telling them what we believe, and asking them to listen to our radio. **All of this has been done in about 8 months' time!**

In November, our radio station had accumulated 1,056 listeners from 51 different countries, **now we are up to 1,406 listeners from 63 different countries!** As of this very moment, **your prayers and giving have impacted hundreds of Jewish people across the globe with the message of the Gospel!** We are still adding more programming! **Please pray for this outreach, that those to whom the link is sent would listen to the radio station, and trust Jesus as their Messiah!**

NEW APP AND PODCASTS

It seems that our online world today functions almost exclusively through smartphone apps. Many people still own and use home computers, but much more frequently use their phone or tablet to access the internet due to the portability and convenience of it. We had an app designed for our radio station, but it was very limited in function, and was only approved for Android devices, so it couldn't be used on Apple devices like an iPhone.

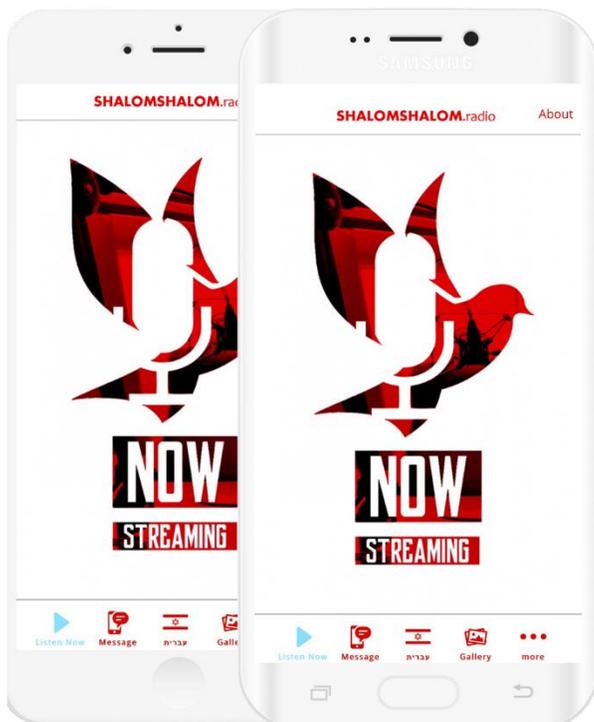

I decided to look into the whole "app" thing, to see if I could design one to do what I'd like it to, and get it approved in both app stores. It would then be searchable on the iOS *App Store*, and on Android's *Google Play Store*. Those who download the app to their phone could then listen with the single tap of a finger. In my mind, this is a vital component to the spread and success of our radio ministry, and I didn't feel like giving up without a fight. I found an app building company based in the UK, that would allow me to design the app, and they would submit it, and guarantee its approval!

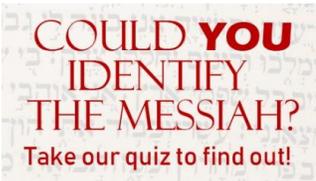

This app is much better than what we had previously, and both app stores approved it! Download it from your

app store or ShalomShalom.radio to try it out for yourself! I'll explain to you some of the evangelistic features I've worked into the app:

1. **A Hebrew Tab** – for Israelis to access all of our Hebrew resources from right within the app!
2. **Private Messaging** – Users can message us with any questions or comments from right within the app! This functions like texting, but is **ONLY** from the user to US.
3. **Gallery** – Images like the ones to the right, which I created for our Instagram page, are accessible from within the app as well! They contain a "Gospel Nugget" with a verse in English and Hebrew!
4. **Quizzes** – I've created "Gospel Quizzes" within the app that I will continually be adding to. One is titled

Home office: P.O. Box 1808 ☞ Angier, NC 27501 ☞ www.JewishAwareness.org

"Could YOU Identify the Messiah?" and then says "Take the quiz to find out!" This quiz is all done within the app, and has questions like "Where would the Messiah be born?" and has multiple choice answers, all but one being popular Jewish misconceptions. After they go through the quiz to test their knowledge about the Messiah, they will receive a score, and see which answers were correct, and which ones were incorrect. They can tap on any of these question results, and see a detailed explanation from the

Bible, why the right answer is correct and why the others are wrong. There is also one other quiz titled "Are you WRONG about the New Testament?" Both of these quizzes should really help a Jewish person to see the truth about Jesus as the Messiah of Israel!

5. **Podcasts** - You can now listen, subscribe to, and even download our audio programs from *ShalomShalom.radio*! This channel will eventually host all of our teaching and interview programs. The primary purpose for this channel is evangelism. You can find each "episode" listed separately, and can share a specific one with your Jewish friend. You can also listen to them to educate yourself as to how to share Messiah! More "episodes" will be added regularly. If you choose to "subscribe" to this channel, you will be notified when new episodes are uploaded, and you can even set them to automatically download to your device if you would like. This works through a PC, Mac, iPhone (Podcasts App), or Android phone (Google Play Music App). These links are built right into the app! The neat thing is a Jewish person can find an "episode" by title, and listen to it instantly without having to wait for it to come up in the broadcast! We currently have 10 episodes uploaded.

MEETINGS

We still have one meeting scheduled in January, and two in March. I am also teaching a couple of different Christian school groups in March and April, and have a missions conference in May. **Please continue to pray with us for the Lord's will and His provision. We praise the Lord for meeting our needs as we try to make up the lack in our support. God is soooo Good, and He's taking care of us! Please pray for more meetings, and responses to my calls, emails, and letters.**

SELLING OUR HOUSE

We've been in our current home for about 3½ years now, and would like to move to lessen our financial strain, as well as be a little closer to our home church. When we moved here, we didn't know where we'd end up as church members. The church we joined, which we love, is about 30-35 minutes away (depending on traffic). I am about 7-10 minutes from our ministry office. We'd like to move to a cheaper house, and be halfway between church and the ministry office if the Lord would allow. **We've listed our house, and are trusting the Lord for a buyer, as well as His will for our next place. We are praying to have some of our financial burden lightened, as well as being closer to church. Our current home has increased quite a bit in value since we moved here, so we're hoping that will help as well. Please pray to that end, and that the Lord would provide the right buyer, and the right house for us to move into! Thanks so much!!**

GOOD NEWS CLUB

I've started teaching at "Good News Club" again for the new year. We had a very interesting first club a few weeks ago! The entire lesson time was spent answering deep spiritual questions from the kids like, "What is a soul?", "How do I know I have Jesus in my heart?", "Do only really bad people go to hell?", and many more! It was such a great learning time, all centered around the Gospel! I am getting ready to go back again today. **Please pray for the kids who aren't saved to trust Jesus, and for the ones that are, to grow in Him!**
