Dear Brother Hon

We received surprising news upon returning to South Africa in early October. After that 90-day visa, the government required us to leave the country for six months before we can return. We are using this time to apply for a retirement permanent residence. If we get this, we can stay as long as we need without having to ever leave. Please keep praying for this need.

Since we are Stateside until July 2, 2019, please let us know if we may schedule a meeting with your church. We are going to try to be in every church we missed during the last trip.

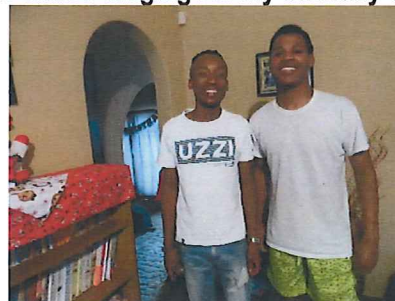

Our youth meeting was special in December as we had a group of children make homemade instruments to play for us. What a special, creative concert!

As our people have given to further the finishing of our church building, we were enabled to plaster the outside walls. It was a hard two weeks of work, but I greatly enjoyed the results.

My sixty-third birthday fell on a Wednesday night. The church had a very special service for me. Here is a photo of the ladies singing for my birthday surprise.

It was a blessing to have Ciano (on right) stay with us recently. He was a great help and even taught the young men's Sunday School classes for the three weeks while he was with us. He led two young men to the Lord on a Sunday and three boys at youth meeting one Friday.

We deeply appreciate your faithful support and prayers for us. God bless you for your faithfulness to our ministry in South Africa.

Yours in Christ's Service,

Michael J. Ferus
