

4th Quarter 2018

Dear Friends and Supporters,

With Thanksgiving just passed and Christmas around the corner, what an exciting time of year to get the gospel out to those around us!

We recently had our Thanksgiving dinner. We were so excited to have many people attend, and we had 11 first-time visitors. Some of the people have never been to church, and they were able to hear a clear presentation of the gospel. Everyone was pleased to have been invited to a Thanksgiving dinner. Most had never had pumpkin pie, but probably regularly eat pumpkin soup, which is a popular dish here. Please pray for the people who have had the seed of the Word of God planted in their hearts.

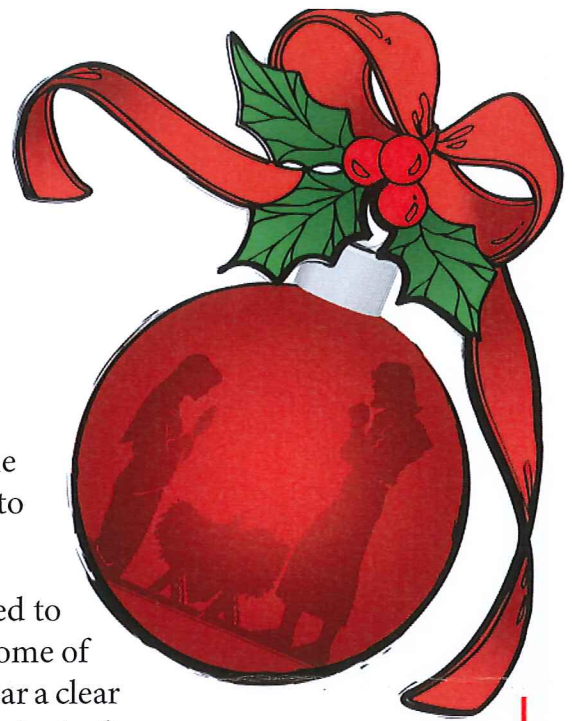

We have been busy recently with moving and getting tracts into the community. Liarra is taking sign language class along with Sherrie, and they are both enjoying it and learning a lot. The next class picks up in February.

We want to take this opportunity to wish everyone a very Merry Christmas and a Happy New Year. We also want to take this time to thank those who gave toward the purchase of a vehicle. We were able to purchase a small car to bring everything to set up church, so that in turn will give us the bigger car to make trips to pick up people for church. It will allow us the opportunity to pick up those who already want to attend right now but need a ride. We look forward to the day when we need to get a van to accommodate our riders.

To the praise of His Glory,

Gary Lester
