Dear prayer and financial partners,

The January evangelism trip to Grenada was nothing short of incredible! There were 34 precious souls added to the Kingdom in Grenada! One of our team members led a young English speaking Mexican lady to the Lord on the airplane back home, making her #35! Thank You, Lord! Our Grenadian pastors each took turns preaching at the evening open air meetings and did an outstanding job preaching the Word and sharing the plan of salvation. Pastor Garnet Samuels joined us for breakfast every day and led the devotions. What a blessing it was to hear him teaching every morning. After being on the mountain top in Grenada we returned to a foot of snow on the ground, and in our driveway! We are thankful for the three servants from our church that cleared our driveway just before we got home! Then the attacks began! Satan unleashed a series of attacks trying to take away our joy. Three supporting churches let us know during the same week that they had to drop our support due to tight budgets. Even though they assured us it was not because of the ministry in Grenada, it still leaves us stunned and hurting. Please pray for new churches and individuals to come along our side! We choose not to focus on that which has been lost. Instead we continue to be thankful for those of you who remain with us! "Brethren, I count not myself to have apprehended: but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus." Philippians 3:13 & 14 When we are attacked, it shows us that the evil one is not pleased with the Word going forth in Grenada or the work that God has called us to do there. Lord willing, His work will go on! We are not quitters!

Please continue to pray for Pastor Garnet Samuels. The laser surgery on his eye did not work. He is needing to make a decision about what should be done next. We know God has the perfect plan for him, so please join us in praying.

Thankfully there are a lot of people interested in the upcoming VBS in July. There is still some room left on the teams, so please contact us right away if you want to join us for a Grenada VBS. God continues to keep our schedule full. We are now on the road again, speaking in many states until we return to Grenada in July. We are completely booked for 2019 and have nine missions conferences already scheduled for 2020! Thank You, Lord!

We send many thanks for your prayers and continued support for this ministry. You are a Godsend!
