I am the light of the world: he that followeth me shall not walk in darkness,
but shall have the light of life.- John 8:12

March 2019

Dear Friends and Family,

We trust the Lord has given you a great start to 2019. We would like to share a couple blessings and some important prayer requests with you.

We want to introduce to you a family in our church. Bob, his wife Ruby, and their two children Lyvia and Wayne have been coming to Hope for some time now. Bob and Ruby both have a servant's heart and are a great blessing to our church. Since they have been coming to our church, we have been praying for Bob to get a job. In the past few weeks, he has had an interview. God answered our prayers! He will start his new job in April. Praise the Lord! Recently, I was talking with their children, Lyvia and Wayne, and they told me that they have been praying for their dad to find a job. I immediately began to tell them that God heard and answered their prayers. It is such a blessing when God answers anyone's prayer, but it is even more of a blessing when children learn that God loves them and hears their prayers also. We need to encourage our children to pray.

The next blessing is more of a personal one. We recently found out that we are expecting another baby. April and the baby are doing well. Please pray for their health and safety during the pregnancy.

In our last letter we wrote about the need for a new vehicle. After the news of a new baby, the need is even greater. Please pray for us as we try to find a nice van for our family and for God's work. We want to thank those of you that have given offerings and sacrificed to help us with the purchase. Please pray that we would be able to find a van very soon.

Please pray for the church. We need to find a new place to meet. We are outgrowing the place where we are now, which is a good problem. Our lease is up in the fall, but we are asking you to start praying for this now. Please pray that God would open the doors for us to find a place that is the right price, size, and close to our location now.

Thank you so much for your faithful prayers and support of our family. We are very grateful for each of you.

For Him,

Jon & April Flowers
