

The Sellers Family
REDEMPTION OUTREACH
and the Collins Children's Homes

December 2018 – February 2019

Dear Friends and Supporters,

Job 37:7 "He sealeth up the hand of every man; that all men may know his work." There is much work done in the name of Jesus but how much of that work is the work of Jesus. All too often we are busy, but are we effective? God binds man and his efforts that He might show Himself strong and that man might know His way and His work. As I look at the opportunities presented to us, I can only say that it is the work of the Lord. His ways are past finding out it says in Romans 11:33. In Revelations 3:7 it says that that God "openeth, and no man shutteth, and shutteth, and no man openeth." What a God we serve.

MOVING FORWARD: In our last prayer letter, we told you of our trip to Jhapa in East Nepal and the possible new opportunities we found there. Since our last letter, the Lord has continued to open doors in East Nepal. A request came from the older pastor we spoke about to come and teach the bible. A building, that was built as a place for Christians to pray, has been offered to us to start a new church. The Lord has worked in our hearts and directed us to Jhapa. In addition, the Lord has worked in Philemon and Karuna, our house parents, and they are ready to work with us in planting this new church. Bro. Philemon is a wonderful bible preacher and teacher and feels called to work along side

Our Co-Laborers

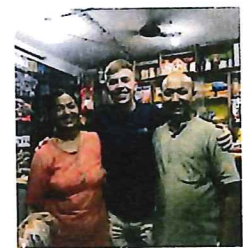

others in the ministry. Please pray as we move forward. There is much preparation and planning to be done to make this move. We will be in Jhapa in March to make additional plans and for the move. Our plans are to be in Jhapa by April of 2020.

CHANGED FURLOUGH DATE: We will be starting our furlough in May of 2019. This is a change from what we had mentioned in our last letter. We had planned to wait until 2020, however, since our last furlough was in 2014 and because of the open doors in Jhapa we have decided to return for furlough now. A

part of the preparation to move is to raise the needed support for the home and some additional support for the church planting ministry. In addition, we will be raising money to build a home for the children in Jhapa. I will be contacting our supporters soon to schedule a time to report to you. If you **have a preferred date for us to come** and report to the church you can email me at chadsellers.nepal@yahoo.com, contact us through **Facebook Messenger** at Chad N Sandy Sellers, or you can call us in Nepal at 1-731-678-1027. This is a local number from the US. Please remember there is a **12 hour** difference in time. Your daytime is our nighttime. We always try and see all of our supporters when we come home for furlough. We want to report to you about what the Lord is doing in Nepal and to see what the Lord is doing in your community and area of ministry.

FAMILY TIME: We were blessed to have several opportunities to have our entire family all together. Christmas was one of those special moments. We do covet your prayers for our family. We are thankful for each of our children and desire that God would continue to work in their lives and mold them into the people He desires them to be. Henry, our new grandson, is doing well and growing. Pray for Caleb, our youngest son and last child at home, as he adjust to College life and living on his own. He has a wonderful testimony in Nepal and everyone has inquired about him since we
