Dear Friends and Co-investors in the City of the Great King,

One hundred and thirty-nine (139) came to know Jesus as their Saviour in the months of January and February. This is inclusive of all salvations in our church's ministries. Ten (10) followed in baptism. To some that is a lot. To others that may seem like a small number. Things are different in every country and on every field. It is not as easy here as it may first appear to those who come to visit. We are always grateful for the harvest that we can reap and there are always some to be harvested. Since we have been here for the past 24 years, you have been our partners and co-workers in this work. Thank you for your part in praying and holding us up in your love and support. Could we have done it alone? Not at all. We would have quit a long time ago if it was not for you, the Lord and the call.

The political crisis in our neighboring country of Venezuela has caused a lot of refugees to come to Guyana. Though Guyana is non-Latin in culture or language, the country has opened its arms to their neighbor. We are now reaching Spanish speaking people from Venezuela and also from Cuba. Many Cubans are here because of the political and economic crisis in Cuba. There is a Cuban medical doctor in our church who was saved before she came here. She is our interpreter to a group of Venezuelan fishermen. They work on trawlers and come to our port city of Georgetown to sell their fish. We have been going for several weeks to meet and witness to them when they come in from the sea. Dozens of them have gotten saved. One young man is named Edwin. He works on his dad's fishing trawler because there is no work for him in Venezuela in his field as a civil engineer. He was saved in a Baptist church on the Island of Margarita off the northern coast of Venezuela. He wants us to come to his island to start a Baptist church like ours. I am praying God will lead him to live in Guyana so I can train him and send him back to Venezuela. He is on fire and seems very willing. Please pray for him. I have called our new ministry the "Spanish Boat Ministry."

In February my wonderful wife and I celebrated 29 years of marriage. Our church had a nice little cake for us and celebrated with refreshments and fellowship after the evening service on Sunday, February 10, the date of our anniversary. God has given us a beautiful marriage. She has shown a lot of mercy to me and in return I have tried to be good to her and give her grace. I like what God told Israel through the prophet Hosea, "I will betroth thee unto me... in lovingkindness, and in mercies" (2:19). You can say our 29 years together have been a beautiful, mercy-giving, grace-filled marriage. Praise be to God!

On February 27, God made us grandparents for the second time. Our daughter Natalie and her husband Joshua had a beautiful little girl named Selah Hope born to them. This is their second child. She is as cute as can be.

We are planning to be on furlough from May-August this year. We hope to see many of you then. See our contact info on the left. Thank you for praying for us. God bless all of you.
