Dear Praying Friends,

March 7, 2019

***Not because I desire a gift: but I desire fruit that may abound to your account*** (Philippians 4:17). This verse never gets old! God has allowed us to develop the Partnership program which has produced fruit, beyond my wildest imagination, to the account of all those who have partnered with us through prayer and giving. In the year of 2018, in Africa alone, our volunteer partners led over 17,800 precious souls to Christ. Since there is rejoicing over one soul that repenteth, can you imagine the jubilation over this number!

The Partnership program allows us to provide national men of God the means to travel to the prisons to conduct services. We do not supplement their income, we simply provide the necessary funds for transportation and food for the day. We also provide them with containers of Bibles, Gospel literature and good study books to enhance their personal studies. Men are hearing the Gospel message in their own language and giving their lives to Christ. We are partnered with fifty men in ten countries in Africa, one in New Zealand and the work in Cambodia!

We are also currently assisting four men of God in planting churches in areas where there are no other Baptist church and in close proximity to a prison or jail. We provide these men with the necessary training and material that will equip them to effectively reach the inmates, public school students and the church members. I was thrilled to hear that our church plant in Nigeria, Risen Saviour Baptist Temple, has started preaching the Gospel in the public-school system near their church. GLORY!

The LORD has allowed us to distribute over \$3,100.00 per month to these soldiers for Christ. We are in great need of more partners to help us equip these men of God with the necessary tools to reach the inmates and public-school students with the Good News. It is only Good News if it reaches them in time! Please prayerfully consider taking our ministry on for support, or if the LORD so leads, increase our support to help us reach more souls for Christ. I have many men that we know and trust solicit our help, but I can only pray! Please do pray as I seek the LORD to help us continue to faithfully support these men!

I was privileged to take part in the annual Alabama Prison Campaign. Collectively, we saw a total of 192 precious souls call on Christ. During the last service at the Mt. Miegs Juvenile Facility, I was excited to see the hand of an officer fly up in the air indicating that he too trusted Christ as his personal LORD and Saviour. The preaching of the Cross still works. PRAISE THE LORD!

I am planning on a return trip to South Korea to survey just what we can do to help with the prison and public-school outreach there. I will then make my way to Kampong Cham, Cambodia. Our Christian school, The International School of Truth, is rapidly out growing the current facilities. A few years ago, God provided the funds for the land, now we must move forward with the construction of the new school building on this property. Please prayerfully consider helping us prepare the future Christian leaders in the land of Cambodia.

Thank you for all of your prayers and support!

Because of Calvary,
